Volunteers, Committee Members, and Councilors welcome to 2019

January has started as we left off 2018. From day one the phones have continued with car bookings for local, regional and metro appointments, enquiries, bus bookings for the commercial operators, giving out information on what services are available in the region and PATS. Changing appointments to fit transport availability and time required to travel to destinations. Looking forward to another successful year.

Australia Day

Australia Day is celebrated each year on the anniversary of the landing of the first fleet from Britain in 1788.

On Australia Day we celebrate all the things we love about Australia: Our land, sense of fair go, lifestyle, democracy, cricket, mateship, the freedoms we enjoy and particularly our people as a nation.

Australia Day is the Saturday the January 26th and the celebratory public holiday will be Monday 29th January, when the office will be closed.
