Port Flinders Naming Survey

Following community request, Council decided at the Ordinary meeting of 12th February 2013 to conduct a survey regarding Port Flinders/Weeroona Island naming.

The Geographical Names Act 1991 regulates the practice of naming geographical places. The Geographical Names Unit, a section of the Department of Planning, Transport and Infrastructure (DPTI) is responsible through the Surveyor-General to investigate and determine the application and usage of the name of a place, to advise the Minister to assign or alter a geographical name or boundaries, and to determine whether the use of a geographical name is to be discontinued.

The final decision rests with the Minister for Transport and Infrastructure. Prior to the Surveyor-General giving consideration to a name change, he requires a high level of community support to contemplate starting a process under the Act to change the name.

The Surveyor-General is likely to require a 75% support of eligible respondents in favour of the name change to consider it. Although a high level of community support is a factor in the decision making process, other factors will be taken into consideration by the Surveyor-General such as the recommendation of Council, the opinion of Emergency Services, the inconvenience to residents, general community, business and services in changing the locality information on multiple databases and documents and the significant delay in updating maps, websites and GPS based navigation tools.

Council has determined that property ownership will determine those able to complete survey papers. If an owner or an ownership combination or group owns more than one property, they will be entitled to only one vote.

The survey will be conducted entirely by post and survey material despatched direct by the Electoral Commission SA. Council will prepare a roll of eligible respondents and there will be no opportunity to amend that roll after 5.00 pm Wednesday 15th May 2013. Survey forms will be dispatched by post on Monday 20th May 2013

The count will be conducted on Friday 7th June at 10.00 am in the Council Chambers, Council Administration Office, 5 Stuart Street, MELROSE SA 5483.

Interested respondents may apply to Muriel Scholz, the Returning Officer to be present at the count by phoning, or writing to the Council Office. There will be a maximum of 4 scrutineers allowed and if more than one person applies, the Returning Officer will attempt to ensure that persons representing both sides of the proposition are present.

Congratulations - Northern Passenger Transport Network

Night of Nights for Local Government: Local Government Managers Australia (SA) 2013 Leadership Excellence Awards

On Friday 19th April the LGMA (SA) rolled out the red carpet at the Adelaide Convention Centre for Local Government CEO's, Executives and Staff at the 2013 LGMA (SA) Gala Awards Dinner.

Taryn Sexton Chief Executive Officer of the LGMA (SA) said: "Local Government professionals work very hard in their communities throughout the year and deliver some amazing services and new initiatives. This event has been running now for over 8 years as a way of recognising and celebrating those achievements. It's our equivalent to the Logies."

Ms Lyn Forster, Manager Northern Passenger Transport Network was nominated for the Partnerships for Growth Award by local members of the community, was announced the recipient of the Award.

This award recognises individuals or a group of individuals who:

- demonstrate strategic cross-council collaboration or alignment of policies, programs or frameworks for regional development and growth, OR
- provide or improve services that strengthen and enhance the physical or social infrastructure of a region, facilitating close integration with other spheres of government activity.

Congratulations to Lyn and the Staff of the Northern Passenger Transport.

Fourth quarter rates are due on 13th June.

A healthy brekky is as easy as PEEL, POUR, POP. It's quick, simple & everyone will love it!!

To launch our new theme for the year, OPAL in conjunction with your local Council funded all preschool and primary school students to attend the **PEEL POUR POP** show held in the Melrose town hall. Students *(and our soft Fruity Friends above)* enjoyed the magic of Professor Goodbrekky as he assisted Kenny Eatwell on his journey to improve the quality of his breakfast and begin his day with the very best start.

The show was a fantastic success with children across the region taking home the messages learned and making positive changes to their regular routines. Recent feedback received from a Mum in Booleroo Centre tells us:

"I am very impressed with the outcomes from your Healthy Breakfast Presentation in Melrose yesterday!! My very fussy eater asked for (and ate) a banana, some weet bix (the new Oat ones), a glass of milk and grain bread toast this morning!! This is a child who usually won't try anything new and would live on vegemite sandwiches (on white bread only), sausages and mashed potato if you let him. So thank you for whatever was said to them yesterday, I hope he keeps it up ☺"

Announcing the Winner of 'Captain Carrot's Council Crusade'

Congratulations to 9 year old Brenton Stevens of Wirrabara. Brenton was drawn as the winning entry for the Captain Carrot Council Crusade competition and has won himself a fantastic children's garden starter kit.

Thank you to all the children who entered the competition and congratulations Brenton, we look forward to hearing how your new garden is going.

And now for the next chapter in Captain Carrot and the Fantastic Four vegie's adventures….we want YOU to create a comic story about the Fantastic Four Vegies… Captain Carrot, Zuper Zucchini, Powerman Pumpkin and Kung-Fu Cucumber

Can you help to develop a story that reminds kids and adults to eat vegies every day?

Send your drawings and ideas to the OPAL team at 14 Fifth Street, Gladstone SA 5473 or email your ideas to opals@mtr.sa.gov.au. For any enquiries please call OPAL Manager Emma on 0488 090 303

NORTHERN AREAS COUNCIL

Amalgamated 1997

Southern Flinders Life is for Everyone (LIFE)

Introducing the new Southern Flinders Life is for Everyone (LIFE) Healthy Communities Initiative Coordinator: Kate Abraham

Born and raised in Whyalla before completing her schooling and tertiary studies in Adelaide, Kate is excited to be returning to the region as the Southern Flinders LIFE Coordinator as part of the Federal Government Healthy Communities Initiative.

After 5 years at Netball SA as the Player Development & Coach Education Manager, Kate's passion for physical activity and healthy eating promotion prompted a career change into Local Government / SA Health to the Healthy Communities Initiative for the City of Marion Council and the OPAL Program in Whyalla.

Kate's continuing career path has brought her to the Southern Flinders Ranges as the Southern Flinders LIFE Project Coordinator - covering the District Council of Mount Remarkable, District Council of Orroroo Carrieton, District Council of Peterborough, Northern Areas Council, and Port Pirie Regional Council.

The primary aim of the Southern Flinders LIFE initiative is to encourage adults to partake in physical activity and healthy nutrition, by providing avenues to engage in with their various communities. Kate's previous experience in working with rural and regional communities, plus her Local Government background, will equip her to deliver and provide good outcomes for the project.

If you know someone who could do with a hand to get their fitness and health back on track; the Healthy Communities program is highly recommended. Programs currently being run as part of the Southern Flinders LIFE Initiative include:

- *Heartmoves,*
- *AustCycle Bike Education Classes,*
- *Heart Foundation Walking and Healthy Eating, Lifestyle (HEAL) classes, and*
- *Community gardens.*

More programs will be coming on board in the next few weeks so keep an eye on your Council's newsletter for the latest offerings.

If you see Kate within your Council region, please make sure you make her feel welcome and say Hello!

For further information for yourself or to recommend a friend and/or family member, please contact Kate on:

Food Businesses: Segregation & Labelling of Chemicals

Purpose
To remind proprietors of food businesses of the importance of segregation and labelling of chemicals to prevent the likelihood of food being contaminated.

Background
Segregation and labelling of chemicals in food businesses are vital requirements to prevent illness or injury to consumers or employees as a result of exposure to food contaminated by chemicals.

Action
Chemical storage must be located where there is no likelihood of items contaminating food or food contact surfaces.

The business should provide an area for storing chemicals and cleaning equipment which is separate and designated for that purpose.

This can be achieved in a variety of ways including (but not limited to):

- Store chemicals in a separate cupboard or on a designated/labelled shelf using the lowest shelf (do not store chemicals above food or ingredients)
- Use colour coded or dedicated equipment, utensils or containers
- Ensure all containers that chemicals have been decanted into (or containers used for the diluted chemical) are labelled with the name of the chemical
- Consider the use of approved food grade chemicals or pre-mixed detergents and sanitisers.

If you required further information regarding these matters then please contact :

Love Your Sister

Australian actor; Samuel Johnson known for his part in the film 'Crackerjack' has taken time out of his acting career to ride his unicycle around Australia to raise money for Breast Cancer research.

Samuel's sister, Connie is fighting Cancer for the third time but has now become terminal. As a mother of two boys, Connie wants as many people to know that the key to survival is early detection.

What started as a joke in the kitchen one night turned into a promise; Samuel would travel around the Country on his unicycle with an aim to raise $1 million, break the world record for the longest journey on a unicycle and if that wasn't enough, he is encouraging every town he visits to set him a further challenge.

On 5th March, Sam had a delayed arrival in Melrose due to some unexpected hiccups, but Samuel was still met by the Melrose Primary School children as well as members of the Community. He tried some very eccentric bikes from Over the Edge.

The next day Samuel went and had a talk with the Melrose Primary School kids, and they had a chance to ride some of Samuel's different bikes and unicycles. The Melrose Community raised over $500 towards Samuel's challenge.

After Melrose, Samuel pedalled on to Wilmington where he was challenged to ride steers sporting pink bows around their necks, while Samuel was in a pink tutu with freshly painted pink fingernails.

His first attempt was counted by the school kids where he lasted 6 seconds. His second attempt was 4 seconds and his last effort he lasted 2 seconds.

Later that day another challenge was put to him by Geoff Slee at the Wilmington Bowls Club to eat a large, live huntsman spider for $500. Being petrified of spiders, this challenge took nearly an hour.

Media such as Southern Cross News attended Wilmington for Samuel's arrival and his feed was aired on 'The Project'.

Wilmington raised approximately $2,000 towards Samuel's quest to raise 1 million dollars. It was fantastic to see such enthusiastic Community response to Samuel's arrival and the money raised for Samuel's quest.

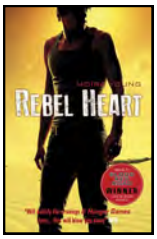
Book Review

"Dustlands" series
Blood Red Road (1) & Rebel Heart (2)
~ Moira Young ~
Reviewed by Candice Ellis



This is a fabulous teen series of the postapocalyptic/dystopian genre. Both novels are written from the perspective of a young girl, Saba, on a quest to rescue her kidnapped twin brother in a postapocalyptic world gone mad. Set several hundred years after the current day planet becomes a desolate wasteland, the story is written in Saba's own voice, using the mutated language of the current day in the story (caint instead of can't, affeared instead of afraid etc.). This is a bit difficult to get used to but once you grasp the language the story flows well. I certainly hope there is going to be another story as we were left hanging at the end of book 2. I would recommend for both boys and girls anywhere from age 14 and up.

Mount View Homes

Social Afternoons

"Mt View" Homes Inc hold a social afternoon on the second Tuesday of every month and members of the community are invited to join the residents for a fun afternoon.

You will be entertained by a vocalist or two and occasionally a special guest will delight the audience.

Following the conclusion of the entertainment, a lovely assortment of afternoon tea is provided and enjoyed by all who attend. A small donation is appreciated for the afternoon although not expected.

This month (Tuesday 14th May) we will be featuring the Florence Singers.

Social afternoon starts at 2.00 pm - so why not mark it on your calendar and we hope to see you there!

Fund Raising

Are you interested in purchasing some Semillon Chardonnay; Semillon Sauvignon Blanc; Sparkling Moscato; Cabernet Merlot; Shiraz or a Tawny Port? Contact Cheryl-Lee at Mt View Homes on 8667 2207 (or email: admin@mtviewhomes.com.au) and ask her about the fundraising wine drive that Mt View are holding. Great wines, great prices and fundraising for a great reason!
