

UPDATE – Informal Gathering - Community Q Time –Council Meeting

Today's Informal Gathering 3.00pm – 4.00pm Community Question Time 4.00 – 4.30pm and Council Meeting 4.30pm

We have reviewed capabilities under the current COVID restrictions and have determined that the public gallery will be opened to all meetings scheduled for today. A COVID Safe Plan will be in place to ensure compliance and safety of all concerned. All meeting participants and the gallery are required to wear masks at all times during the meetings.

To enable the gallery's attendance under the restrictions, members of the public will be seated in the foyer area of the administration centre where the doors leading to the Council Chamber will be opened to allow the gallery to hear the meeting.

During Community Question time, one community member at a time will be able to come into the Chamber to ask a question and then return to the Gallery.

If you would like to attend these meetings and so that we can manage seating arrangements, please let us know in advance by contacting Kathryn Crisp on 86662014, kathryn@mtr.sa.gov.au.
