New Drivers Log Sheets

Thanks to a computer savvy volunteer, we have new log sheets. These have been trialed by several volunteers and now ready for use. They have been simplified, making the sheets more user friendly and with the volunteer hours and kilometers easier to calculate.

Please remember to fill in the logs sheets correctly including monies received and all destination stops including meal break and comfort stops taken by the client.

No Eating in the Cars

As volunteers you are responsible not only for the safety and wellbeing of those that travel in the vehicle but also for the cleanliness.

Remember to think of the next driver, the one who has to clean up after you by picking up the empty containers left behind and wiping down the steering wheel due to greasy finger prints.

It only takes a few minutes to sit somewhere comfortable outside the vehicle, in a coffee place or takeaway shop while you and your passengers have something to eat.

The only things expectable to have in the vehicle is a bottle of water, piece of fruit or lollies.

No hot food and that includes coffee or tea.

Merry Christmas Volunteers!
