

# Cemeteries and 'Natural Burial Grounds' Policy

## 1. Purpose

- 1.1 This policy outlines the District Council of Mount Remarkable's objectives in respect of Council owned and operated cemeteries, natural burial grounds and crematoria.
- 1.2 It has regard to the *Burial and Cremation Act 2013* (the Act) and the *Burial & Cremation Regulations 2014* under which Council cemetery authorities must meet revised requirements for the operation and regulation of cemeteries, natural burial grounds and crematoria within the Council area.
- 1.3 Council recognises that these community cemeteries are the resting place of many of the district's pioneer and respected citizens and will efficiently and effectively manage them in a caring and equitable manner to meet the needs of its community.

## 2. Definitions

- 2.1 Words and phrases used in this policy have the same meaning as they do in the *Burial and Cremation Act 2013* and/or the *Burial & Cremation Regulations 2014*

## 3. Principles

- 3.1 The policy applies to cemetery and natural burial facilities located, owned or operated by Council in:  
  
Appila  
Amyton  
Booleroo Centre  
Bruce  
Hammond  
Melrose  
Port Germein  
Willowie  
Wilmington  
Wirrabara
- 3.2 Each cemetery and natural burial ground is overseen by the Council and the management of burials and granting of interment rights in Council facilities is delegated to its administration.
- 3.3 Existing reservations issued by Council prior to the development of this policy will be honoured by Council and renewal of interment rights will have regard to the basis on which the original burial sites have been allocated.
- 3.4 The cemeteries and natural burial grounds will be segregated into areas based on religion or ethnicity in accordance with section 22 of the Act. Council will have regard to the customs and specific needs of all those who apply for

an interment permit.

- 3.5 In considering applications and/or renewal of interment rights Council will have regard to:
- 3.5.1 the Cemetery's local historical significance as a burial place for many of the pioneers of the area.
  - 3.5.2 the need for each cemetery site to be managed and maintained at a standard consistent with its significance and as an important family memorial place.
  - 3.5.3 remaining interment sites available, recognising relatives of people already interred in the cemetery, people with a long association to the area, and those who have made contributions to the well-being and social fabric of the community.

## 4. Issue of interment rights

- 4.1 Interment rights may be granted by Council for one or more sites within a cemetery or natural burial ground on completion of an application and payment of the appropriate fee.
- 4.2 The interment right gives the holder the exclusive right to bury or inter human remains in the allotted site.
- 4.3 The holder of the interment right may use the site only for interment of human remains consistent with this Policy and the *Burial and Cremation Act 2013*.
- 4.4 Council will grant interment rights in perpetuity.
- 4.5 Interment rights may be issued for the following:
  - 4.5.1 Grave sites (for new interments) for a multiple depth system of burial

The site can be used to accommodate family members and the term of the interment right is 100 years with renewal rights for a second period on the application of an interment right holder or authorised person. (See section 30 of the Act.)
  - 4.5.2 Mausoleum

Council may approve an application for construction of an above ground structure subject to Council specifications
  - 4.5.3 Memorial or niche walls

The term of an interment right for ashes, in a memorial or niche wall is for a period of 100 years with a second period available on the application of an interment right holder or authorised person. (See section 30 of the Act.)

#### 4.5.4 Vaults

Council may on application approve the construction of a water tight vault (distinct from a mausoleum) of either single or multiple capacity depth. Approval will be subject to soil and ground water conditions, design and specifications.

Construction will be in accordance with the specifications provided and subject to supervision of Council's building supervisor or a contractor approved by Council. (See section 30 of the Act.)

#### 4.5.5 Scattering of ashes
